

MENTORS PROGRAM 2008

The Mentor Program is one of the many benefits of Clay Alliance membership. This program allows you access to members who are willing to advise you in their areas of expertise. Please do not hesitate to contact any one of the members listed here, as they have signed on willingly to offer their assistance.

If you have an area of expertise and would like to share your knowledge with other members, send an email to: info@clayalliance.org. If you are a new member and would like to discuss your best possible fit with the mentors listed here, feel free to call our V.P. Sharon Long Kabbes @ 513-624-7764. Below are some suggested categories for mentors. If you have knowledge in another area that would benefit members of Clay Alliance, feel free to add it to the list.
